Junior Stage Stars - Ghostbusters

(Enter Lily & Willow)

Lilly What a creepy place?

Willow It sure is! They said on the phone that there are lots of ghosts for us to catch and they are really bad ones too. Let's investigate...

(Both walk around the front then side of the stage each then walk backwards and bump into each other and jump with fright)

Lilly Hahaha, it's only you....nothing to fear, I mean I wasn't scared, I am fearless, ghosts be aware I'm going to get you...

Willow I'm afraid of no ghosts! Right let's save this creepy place.

Both Ghostbusters to the rescue...

SONG 6 GHOSTBUSTERS

Lilly Well there doesn't seem to be any ghosts in here. Let's go and look around...

Willow Yes, not even a ghost close by...okay let's go...no ghosts here...

(Exit Lily & Willow)

Scene 2

Casper the Friendly Ghost – Junior Stage Stars (Sat)

(Enter Lily & Willow)

Lily Well I don't believe this hotel is haunted at all. I haven't seen one single Ghost or ghoul...we are the worst ghost hunters ever!

Willow I was looking forward to finally seeing a ghost and maybe even catching one of those evil nasty spooks! Wait what was that?

(Wind noise and 2 pieces of paper with the poem written on them blow onto the stage)

Lily Where did these papers come from? What do they say?

Willow Oh look it's a story, no, a poem, about a ghost...

Lily Many years ago, on Halloween night,
 In a haunted hotel, full of ghoulish fright,

Willow Lives Casper the Ghost, as friendly as can be,
 He loved being a ghost, but was not scary.

Lily He has thick, round glasses, too big for his face,
 And often was found, exploring the place,

Willow With nothing but time, to avoid feeling blue,
 He found lots of hobbies, that are fun to do.

Lily He can build, juggle, tinker, sew,
 Read facts that are fun to know,

Willow Music, theatre, history, art,
 Put things together, then take them apart,

Lily All these things he will do all day,
 Trying to pass the hours away.

Willow But alas, quite lonely is he,
 For he has no real friends, you see.

Lily All he wants is one real friend,
 Whose friendship will last, without an end.

Willow So, if you see him, do not fret,
 For he is a ghost you'll be glad that you met.

Lily That's strange, I thought all Ghost's were bad.

Willow Casper doesn't sound bad at all.

SONG 13 –CASPER THE FRIENDLY GHOST - JUNIOR

Lily Casper the Ghost must have sent us that poem...spooky!

Willow Do you think he's here now? Casper? We mean you no harm...

(Bang from offstage)

Lily Please don't hurt us, nice ghosty...did it just get really cold in here?

Willow Maybe Ghost Hunting isn't for us after all. Let's get out of here...

(Enter Lily & Willow)
